ALPHA3 TECHNOLOGIES, LLC

CAPABILITY STATEMENT

CLOUD INFRASTRUCTURE · FEDERAL IT

Azure cloud computing experts for federal and state agencies.

We plan, migrate and manage cloud environments for federal, state and local agencies and prime contractors, built to compliance requirements from day one.

Microsoft Azure | **Azure Government** | **Citrix DaaS** | **Microsoft Intune & Entra ID**

AWS · Google Cloud · VMware

CORE COMPETENCIES

Cloud Infrastructure Management

Operation of Azure and Azure Government environments: monitoring, patching, backup, scaling and cost control.

Cloud Migration & Modernization

Assessment and phased migration of servers, desktops and applications with minimal disruption.

Virtual Desktop & Endpoint Management

Citrix DaaS and VDI design and support; zero-touch device deployment with Microsoft Intune.

Security, Identity & Compliance

Entra ID, MFA and SSO; CIS-hardened, FIPS-enabled builds; documentation to support authorization efforts.

IT Consulting & Project Management

Advisory, technical and PMP-led project support as a prime or subcontractor.

DIFFERENTIATORS

- **Azure Government experience.** Hands-on design and deployment of secure, highly available government cloud environments.
- **Founder-led engineering.** The engineer who scopes your project is the one who delivers it.
- **Certified minority-owned small business.** MDOT MBE, DBE and SBE certified, supporting primes' subcontracting goals.

COMPANY OVERVIEW
